

### HIGH PRESSURE PUMP ---- 4"Cast Iron Type III

Model	YMDWP4.22
Fuel Tank	13.5 L
Start system	Manual & Electric
Type	Centrifugal pump
Inlet	4" (100mm)
Outlet	4 " (100mm)
Max. Head	62m
Max. Flow	2333L/min
Pump Body	Cast Iron
Impeller	Cast Iron
Engine Type	Forced air cooled, 4-stroke diesel engine
Engine Model	YM292FE
Displacement	996 cc

- 62m Max head with 2333L/min Max flow
- Suitable for general water transfer, irrigation, garden, mining and civil engineering
- Forged strong cast iron pump body
- Forged iron volute impeller
- High quality ceramic plunger, silicon carbide water seal
- Low oil consumption, low noise
- Powered by advanced YARMAX engine, reliable performance, easy start

1. Data at each stage

Item	unit	value									
Capacity(Q)	L/min	0	333.33	666.67	1000.00	1300.00	1500.00	1666.67	2000.00	2333.33	
	m³/h	0	20	40	60	78	90	100	120	140	
Head lift(H)	m	62	60	53	45	36	30	23	10	0	

2. Head lift-flow (H-Q) curve
